The Pyrotechnic Institure in Sarajevo produces and tests tracer ammunition and illuminating shells. There are several army establishments in Sarajevo where uniforms, other clothing and bedding are produced as well as the manufacture and ropair of gun-carriages, gun haulage vehicles and chassis for trucks.

- 3. Osijek: Gun-carriages, limbers and carts for mountain transport are manufactured here.
- 4. Cacak: Manufacture of engineer equipment, (e.g. barbod wire, spades et cetera.)
- 5. Macreb: Unnamed factory situated in the direction of Podsused produces 8 millimeter in antry argumition and 9 millimeter revolver amountaion. This factory is the principal center for adaptation of old artillery amountaion (transformation of copper bands et cetera.)
- 6. Skoplje: Artillery armunition of all calibers is produced here and adaptation of shells is curried out.
- 7. Nis: Depot for bridging material.
- 8. Uzice: Production of machine guns, machine pistols, sporting guns and ammunition for the latter.
- .9. Visegrad: Production of aerial bombs of from 25 kg. to 250 kg. The town contains large depots for aerial bombs.
- 10. Belgrade: Several army footwear and clothing workshops are situated on the river Save, near the fortress and below Kalimegdan.
- 11. Obilicevo (Krusevac): The explosives factory here manufactures smokeless powder, "Ekrasit", dynamite, trotyl and all kinds of safety fuses. Time bombs with electric fuses are also made at Obilicevo.
- 12. Kamnik: Black powder and "Kamnektit" are produced here.
- 23. Krsko: A factory here manu actures nitrocellulose which is dispatched to Obilicevo.
- 14. Jesenice: Production of armor plates and revolving cupolas for tanks, artillery gun shields, steel products for tank obstacles, armor plates for ships.
- 15. Tivat-Kotorska: The naval yard here carries out the repair of naval vesuels and assembles small fighting craft. It manufactures sea-mines, blockade nets and diving equipment. The arsenal contains naval ammunition for Skoda guns and guns of various calibers.
- 16. Kraljevica and Split: There are naval yards here.
- 17. Fiume: The torpedo factory here is believed to be producing 20 torpedoes per month.
